BILL AMENDED:

SUBJECT: Extra Heavy Duty Highways.

FIRST AUTHOR: Rep. Stevenson

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: **GENERAL

FEDERAL**

IMPACT: No Fiscal Impact

Summary of Legislation: The bill provides that certain sections of Highway 912 in East Chicago are designated as extra heavy duty highways.

Effective Date: July 1, 2011.

Explanation of State Expenditures: The state has redesigned the route of Highway 912 across a bridge between Dickey Road and Riley Road. These roads were relinquished by the city of East Chicago to the state for this purpose. The bridge can handle the 134,000-pound Michigan Train-permitted loads. It is on schedule for retrofits within the next couple of years, but these retrofits are not the result of making the road an extra heavy duty highway.
